

Servant's
RETREAT

A time of rest and spiritual refreshment for
full-time Pastors, Assistant Pastors and their wives.

September 12-14, 2011

COST IS FREE • LIMITED AVAILABILITY • REGISTER TODAY!

Throughout the Gospels we see Jesus engaged in cycles of intense ministry opportunities followed by retreat and fellowship with the Father. Regularly our schedules reveal a multitude of worthy and important ministry opportunities. However, few appointments set aside time for retreat and fellowship with the Chief Shepherd. If the greatest Servant of all made “retreat” as much of a priority as serving others then how much more important is it for us to have these “down” times in our lives? Consider joining Alpine Ministries as husband and wife or a pastoral team and be recharged through the Word, fellowship, and recreation.
